[Full details & to register](#)

SOLD OUT

WINTER FUTSAL

WHY FUTSAL?

Futsal places players in fast, high-pressure environments where quick decisions are essential. The small space and constant action challenge players to read the game, adapt, and execute with confidence. In a safe, indoor environment, futsal is fast-paced, creative, and fun—helping players grow while enjoying the game.

When: All Saturdays in Jan-Feb

Where: SoccerHaus

Who: U7-U15

SPRING RECREATIONAL SOCCER

Our Recreational program is designed as an **introduction to the sport**, focusing on **skills, character development and having fun**. We create a safe, positive environment for kids to play and learn soccer.

Pride's recreational program is intended for players who have never played soccer before, want a lower commitment, inexpensive soccer experience, or for players who want to **play for fun!** This is the lowest level program we offer at Pride.

We have a variety of players with different skill sets and experience levels. We emphasize the importance of **learning, fun, and enjoyment of the sport**.

SPORTS MEDICINE CENTER

Children's Hospital Colorado

Fueling a day on the slopes

PACKING A LUNCH
FOR SKI &
SNOWBOARD SEASON

As athletes head into winter sports competitions, or a fun day skiing or snowboarding with their families, fuel and hydration are important. To make those early mornings easier, check out the guide to packing healthy, portable lunches from our expert partners at the Sports Medicine Center at Children's Hospital Colorado. Link to article [here](#).

[CHILDREN'S HOSPITAL COLORADO](#)
[IN THE NEWS](#)

Calling All Snowman Builders!

Some kids need to stay in the hospital to get better. But that does not stop their imaginations from wandering far beyond our walls. Take these snow creations, for example, imagined by our patients and brought to life by families near and far through the Snow Buddies Program.

This snow season, you're invited to help bring our patients' creations to life! All you have to do is sign up, then wait for your snow-person specs and a fresh snowfall. We hear it's as much fun for the volunteers as it is for our patients.

Check out a few favorite creations below, then scan QR code to sign up!

Ends: March 31st, 2024
